Babette Benssousan - Inspirational speaker

The Decision-Making Maverick

With over 20 years experience, Babette Bensoussan is an exceptional presenter and communicator. She has conducted trainings, workshops and individual mentoring on a worldwide basis to support corporate strategy, competitive intelligence endeavours, and leadership development.

"I am passionate about sharing my expertise with others and helping individuals reach their potential - for the benefit of the individual and the organisation in which they serve"

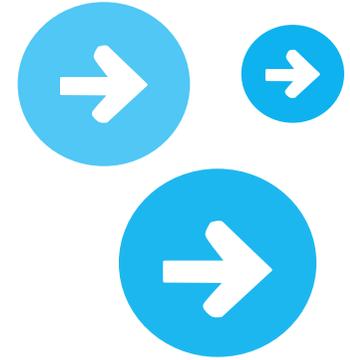

Few professional speakers have Babette Bensoussan's depth of corporate experience and understanding of human motivation and behavior. Even fewer have her ability to engage an audience and leave it enlightened, challenge and inspired.

When she presents, Babette draws on decades of success as an entrepreneur, consultant, company director, board member, author, academic, and business coach.

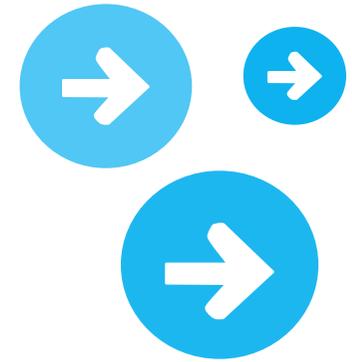

In 1992, Babette founded the MindShifts Group, a leading consulting company specialising in Competitive intelligence (CI) and Strategy. Since then she has worked on over 300 projects with both Australian and Fortune 500 Companies.

Passionate about sharing her uniquely honed expertise, Babette has simultaneously led MindShifts, co-authored five critically acclaimed books and become one of the world's most sought after corporate speakers on CI and Strategy.

In 2006, Babette was the recipient of the SCIP Meritorious Award, the world's most prestigious CI award. She was the first international and only Australian recipient of this prize. Having received the ultimate honour from her peers, Babette decided to devote more time to sharing her expertise with others.

For over 25 years Babette Bensoussan – *The Decision-Making Maverick* – has served as an advisor to organisations and business leaders around the world.

Babette now coaches and mentor leaders, employees and anyone with a keen interest in personal strategy. She specialises in coaching and mentoring professionals struggling to balance their work and personal lives, and her support is particularly valuable to aspiring entrepreneurs seeking to expand their business outcomes, and those pursuing senior executives roles or directorships.

Feedback on Babette’s warm and engaging presentation style includes:

“Thanks for a great couple of days. The best workshop I have been on for years.”

“Babette is truly an excellent teacher. She has a wonderful wit and bubbles with enthusiasm.”

“I just wanted to say how very much I had enjoyed your session at this years SCIP conference. Wow the amount of information to take in was so incredible, so worth the trip.”

“Excellent teaching style, great at simplifying 3-D skills.”

“Babette is an excellent facilitator who brings a wealth of expertise and enthusiasm to the session that enables participants to ask questions relating to their current work at hand, allowing everyone to get the most out of the workshop.”
